

Vorlage:PageBanner

This template creates an intro banner on a page. The banner should contain an image (optional), a title and 2-3 lines of text.

The template files (*Template:Banner* and *Template:Banner/styles.css*) can be downloaded as part of the [template package](#).

Vertically centered
The box content is centered vertically and the title has no margin.

Box with padding
This box container has some padding around the content.
Try out 2 or 3 lines as well.

Box without padding
This box container has no padding but there is padding around the text.
Try out 2 or 3 lines as well.

Box without image
A banner can be text-based as well. Just don't add an image.
