## Vorlage:PageBanner

This template creates an intro banner on a page. The banner should contain an image (optional), a title and 2-3 lines of text.

The template files (*Template:Banner* and *Template:Banner/styles.css*) can be downloaded as part of the [template package](#).

**Vertically centered**  
The box content is centered vertically and the title has no margin.

**Box with padding**  
This box container has some padding around the content.  
Try out 2 or 3 lines as well.

**Box without padding**  
This box container has no padding but there is padding around the text.  
Try out 2 or 3 lines as well.

**Box without image**  
A banner can be text-based as well. Just don't add an image.

Banner examples

The following parameters can be set in visual editing mode:

### Vorlagenparameter

Parameter	Beschreibung	Typ	Status
